General Information

- This order confirmation is for informational purposes only. It is not proof of ownership of any software licenses. It simply shows what was ordered under the displayed authorization number and license number on the date specified. The official record for this transaction is available at the eOpen web site at <https://eopen.microsoft.com>. If you do not have access to the Internet, please consult your reseller. In case of disputes or any discrepancy between this order confirmation and the records at the foregoing web site, the latter controls.
- Online information regarding your licenses at <https://eopen.microsoft.com> is encrypted. You can view your open license purchase history at any time using your Open License Authorization Number and License Number. Once in the site you will also be able to view, print and download your license data, or track additional license data.
- When you visit the eOpen site, you will be able to create an ID and password using Microsoft Passport® technology if you have not previously done so. This ID and password will be unique to you, ensuring that unauthorized persons do not access your personal information.
- Please take care that your password to this site is protected and shared only with those individuals and organizations that you trust with the information pertaining to your Open License portfolio. Your password can be changed at the site for ease of maintenance or additional security.
- If you experience problems with the eOpen website, please email your eOpen issues in English to eopenap@microsoft.com.
- You must review and accept the terms and conditions of the Open License agreement found at the eOpen site before you install and use copies of software licensed under this transaction. Your use of the software will constitute your acceptance of the terms and conditions of the agreement. If you do not agree to the terms of the agreement, you should contact your reseller.
- **Volume License Product Key.** To install certain licensed products you will need to use a specific Volume License Product Key (VLK). This VLK is issued to your company for your exclusive use for each specific license purchase. You agree to use your best efforts to keep a secure record of this product key including not disclosing this product key to any unauthorized third party. For more information about Volume License Product Keys, go to the "Volume License Product Key" section of <http://www.microsoft.com/licensing>.
- The purchase of Subscriptions as part your license agreement provides additional benefit entitlements. Please use the following link to claim the Subscriptions Benefits associated with this license: [Subscriptions Benefits Administration Tool](#). From this site, MSDN users will be able to claim the following benefits: MSDN Media Subscriptions, MSDN Subscriber Downloads, MSDN Technical Support Incidents, MSDN Managed Newsgroups, and MSDN Online Concierge. Microsoft Expression Subscription users will be able to claim following benefits: Expression Media Subscription, Expression Subscriber Downloads and Expression Technical Support Incidents. Please note that benefits for Open Licenses can only be administered for a single license at a time. For additional information on administering Subscriptions Benefits, please visit the MSDN Subscriptions Support site at: <http://msdn.microsoft.com/> or the Expression Subscriptions Support site at: <http://expression.microsoft.com/>.
- Customers who acquire Microsoft Business Solutions software must acquire a Registration Key to enable the software by registering at <http://www.microsoft.com/BusinessSolutions/MBSRegistration> using their valid license agreement details. Please note this site is for registration of Microsoft Business Solutions (Customer Relationship Management) licenses only.
